3-7/8" x 5-1/8" layer under strips

(5) 1" x 3-3/4" panel strips askew

Add a tea bag on top!

1" strips of varying length in Quilt Strip Technique

I hope you enjoyed this picture tutorial of different layouts based on the original 4 paneled strip card.

As you can see, you can interpret and vary card designs in so many different ways. Vary the colors, layers, patterns, placement of paper, orientation of card and so on.

If you like to make your own cards with card templates & sketches, I am offering you my Monthly Sketch Membership at the lowest sale price (this was my Black Friday sale offer):

You choose the offer that is right for you:

\$15/month,
\$169/year (2 months free) or
\$300 for the entire 24 months (6 months free)!

This membership has a total of 24 months of sketches & samples that are emailed directly to you once a week. You can save them in a file and use at your creative leisure whenever you wish.
